Anti-Bullying Statement

Rainey Old Boys RFC and the IRFU values all of its members, especially Age-Grade Players and will not tolerate repeated, aggressive behaviour (verbal or physical) by an individual or group against others.

Respect is one of our core values!

We are committed to tackling bullying so that Age-Grade Players can feel safe within their rugby club and among team players. Incidents of bullying are breaches of the IRFU Codes of Conduct.

All Age-Grade Players should:

- Respect each other and all those within our rugby club
- Tell an adult or someone you trust if you are being bullied
- Stand-up to bullying behaviour by telling the Club Welfare Officer what you've seen or heard
- Not change (the way you are or how you behave) to fit in with a bully
- Remember, it's not your fault.
